

ARE YOU GOING TO DO THIS WITH US READ THE BIBLE IN A YEAR?

Reading Plan for the Week :

March 24 th	Exodus 13 - 16
March 25 th	2 Samuel 1 - 4
March 26 th	Psalms 48 - 50
March 27 th	Job 33 - 34
March 28 th	Jeremiah 22 - 26
March 29 th	Mark 13 - 14
March 30 th	2 Corinthians 4 - 5

Thought for the week:

Where does the time go? I haven't got time!

How many times have you heard that this week? The Corpus Clock at Corpus Christi College, Cambridge, unveiled in 2008 by Stephen Hawking, is surmounted by a large mechanical creature resembling a locust, which appears to devour time. The clock itself is deliberately inaccurate and is only correct once every five minutes, apparently signifying life's irregularities.

Time is relative as these familiar words remind us – use it wisely!

*When as a child I laughed and wept, Time crept.
When as a youth I waxed more bold, Time strolled.
When I became a full-grown man, Time ran.
When older still I daily grew, Time flew.
Soon shall I find, in passing on, Time gone.
O Christ! wilt thou have saved me then?
Amen.*

show Christ to the World'**

Almighty God,

suffered pain,
and entered not into glory before he was crucified:
mercifully grant that we, walking in the way of the
